Bad things exist within the good. A negative energy causes this. Every task would be a challenge. Study and examine every task carefully before proceeding. There's a high risk of bankruptcy and loss of wealth. Beware of falling into traps laid by unscrupulous people. Court cases, bankruptcy and gossip will raise a lot of worries. A negative star causes one to lose big amounts of wealth leading to poverty or total failure. One would have to do good deeds early on. And with help of one's merits, hopefully, one can transform the bad into the good. Beware that another bad star signals the danger of being imprisoned. Do only the right things. Do not act hastily or foolishly to avoid trouble
